1st Conference
Top science to society

Program
Science
ocober 19th
2018

9.00-9.30 Registration & Meet and Greet

09.30 -11.00 Panel Discussion: Analysis and vision of Science in Spain
• Apertura institucional*
  • Guido Kroemer. Full Professor of the Centre de Recherche des Cordeliers Paris Descartes, Paris
  • Ana M. Cuervo. Co-director of the Einstein Institute for Aging Research, and a member of the Einstein Liver Research Center and Cancer Center, New York
  • Rafael de Cabo. Leader of the Translational Gerontology Branch at The National Institutes of Health (NIH), Baltimore
  • Manuel Serrano. Group Leader of the Cellular Plasticity and Disease Group at the Institute for Research in Biomedicine (IRB), Barcelona
  • Guillermo Reglero. Full Professor of Universidad Autónoma de Madrid and Director of IMDEA Food Institute, Madrid

11.00-12.00 Scientific Session 1: “Mechanistic insights into Aging processes”
Chair: Ana Ramírez de Molina
• María Blasco. Director of the Spanish National Cancer Research Center and Head of the Telomeres and Telomerase Group (CNIO), Madrid
• David Sinclair. Professor and co-Director of the Paul F. Glenn Center for the Biology of Aging at Harvard Medical School, Boston

12.00-12.30 Coffee Break

12.30-13.30 Scientific Session 2: “Cellular & tissue remodeling in Aging”
Chair: Pablo J. Fernández-Marcos
• Ana M. Cuervo. Co-director of the Einstein Institute for Aging Research, and a member of the Einstein Liver Research Center and Cancer Center, New York
  • Guido Kroemer. Full Professor of the Centre de Recherche des Cordeliers Paris Descartes, Paris

13.30-14.30 Scientific Session 3: “Precision Nutrition for Aging”
Chair: Manuel Serrano
• Ana Ramírez de Molina. Director of the Precision Nutrition program and cancer, and Deputy Director at IMDEA Food Institute, Madrid
• Pablo J. Fernández-Marcos. Group Leader of the Metabolic Syndrome Group at IMDEA Food Institute, Madrid

14.30-15.30 Networking Lunch

15.30-17.00 Scientific Session 4: “Interventions for healthy Aging; from the bench to bedside”
Chair: Pablo J. Fernández-Marcos
• Rafael de Cabo. Chief of the Translational Gerontology Branch at The National Institutes of Health (NIH), Baltimore
• Manuel Serrano. Group Leader of the Cellular Plasticity and Disease Group at the Institute for Research in Biomedicine (IRB), Barcelona
• Valter Longo. Edna M. Jones Professor and Director of the USC Longevity Institute at University Southern California

17.00 Closing remarks
• Manuel Serrano. Group Leader of the Cellular Plasticity and Disease Group at the Institute for Research in Biomedicine (IRB), Barcelona

* Pendiente de confirmación
